**Parent/Teacher Interviews**

Parent/teacher interviews are an integral part of our mid-year reporting process at MPS. These will take place during Week 8 and Week 9, from 16th June - 23rd June. Students will bring home a note this week regarding their class interview day. We ask parents/carers to complete the notice with your preferred times and return to the class teacher as soon as possible. This is a wonderful opportunity to talk with the teachers about your child’s academic, social and behavioural progress in the first half of the year. We look forward to meeting with you. Mr Harrison & Mr Grant will hold parent teacher interviews early in Term 3.

**Multicultural Public Speaking**

The Milton Public School Multicultural Public Speaking competition was held in the school hall last week. On Tuesday the following Year 5 & 6 students delivered well prepared, clear speeches and spoke well on the topic ‘challenges’ for the impromptu speech – Jack S, Kirsten T, Ziad E, Maisie S, Joel C and Isabella V. Wednesday saw the Year 3 & 4 students compete and it was the first time for all of them so there were a few nerves. The following students also presented well prepared and clear speeches and had some interesting impromptu speeches on the topic ‘laughing’ – Samantha McIntosh, Zach S, Sienna C, Nazar E and Xander J. Congratulations to Kirsten (1st) and Jack (2nd) from Stage 3 and Nazar (1st) and Zach (2nd) from Stage 2 who will now compete in the District Final to be held at Milton Public School on Wednesday 11th June. Well done Milton Public School captains and prefects for their roles as presenters, time keepers and ushers. A big thank you to Mr Bass and Mrs Dale for your input as adjudicators and Mr Tidbury for organising such an important event.

AFL SKILL DEVELOPMENT DAY
On Wednesday 21st May Kindergarten, Year 1 and Year 2 students from Milton Public School combined with St Mary's Diocese school to develop their throwing, catching, passing and kicking skills. Year 10 students from Shoalhaven Anglican School led the students in these skills. Members of AFL Australia supported the students through the provision of equipment and coaching. Students had an enormous amount of fun as they participated in fifteen different activities. These activities included using a parachute, throwing frisbees, kicking AFL balls towards a goal and passing a football around the body. Students were praised and it was fantastic to watch students as they would run and collect the footballs and try the skill again and again. A favourite game was running and tackling the large foam bollards. There was lots of running and lots of laughter as children progressed through the activities.
