We will hold the very special morning tea for our Gold awardees on Wednesday the 25th June to recognise and congratulate the students who have achieved a Gold Award or higher during Term 2. Mr Thomson and Mr Bass look forward to celebrating with these students.

More Outstanding Eisteddfod Success!

In our proud twenty year involvement with the Shoalhaven Eisteddfod; this year has seen our usual brilliant results translate into outstanding results! For every single student who was part of Verse Speaking and to every single teacher and parent and family member who supported our participation we say; thank you. For approximately three hundred students to take to the stage and recite poetry at an elite level is extraordinary. For every member of MPS who encouraged participation and provided critical advice and feedback, we say thank you. For every parent who supported their children and encouraged “play days” on weekends to rehearse, we thank you. A fantastic experience for all our students and we applaud the following results:

First: Section A Infants Verse Speaking: 2A and 2R
First: Section B Infants Verse Speaking: K1/O
First: Section A Primary Verse Speaking: 3R
First: Section B Primary Verse Speaking: 3/4D

Considering that at least twenty schools in the Shoalhaven were competing in the sections we were; we are incredibly proud of our students!

It was with pride that we found out late last week from George Windsor, the President of the Shoalhaven Eisteddfod, that two of our groups, 2A, 2R and the 3-6 Choir have been invited to perform at “Stars of the Eisteddfod” in Nowra on Saturday the 21st of June. Expression of interest notes went home on Friday for these two groups. Please, if you have not returned these forms, please do so by tomorrow, the 10th of June. Everyone is welcome to attend the ‘Stars of Eisteddfod’ at the Shoalhaven Entertainment Centre, Nowra. Commences at 2pm and tickets are $25.00 available at the door or www.shoalhavenentertainment.com.au

Year 1 Excursion

Today we went to Ted’s Quality Butchers. First we went in two lines. Then we went in one line. We saw how they made sausages. First they would put some cow intestines or pig intestines. The cow intestines create thin sausages. The pig intestines create fat sausages. They came out looking like a long snake. Then he tied the sausages to a piece of string. It looked like a necklace made out of sausages.

Today we went to Ted’s Quality Butchers. He showed us a band saw. Julian showed us how to make sausages and meat. We saw cow ribs. It was awesome! He was telling us lots.
