Milton Smashes State Quarter Finals

STOP THE PRESS!

Yesterday the MPS tennis team played at Homebush in the State Championships. An amazing feat. We are so proud of our team.
PSSA Basketball

On Monday 28th July, the boy’s school basketball team played Culburra Public School in the PSSA Knockout. Culburra started the game confidently scoring the first few baskets. Alex D scored the first points for Milton, however, Cameron P was the star of the match scoring 18 points out of Milton’s 24. Culburra’s defence was too good for the boys leading to a final score of 24-43. Milton closed the gap in the 3rd quarter and demonstrated great team play and determination but with the reintroduction of Culburra’s star player the opposition moved clear in the final quarter. Well done to the team for a good season. Once again they demonstrated outstanding sportsmanship both at training and during the games.

Thank you to Gavin Dorrell for refereeing once again and Julie Dadd for scoring. A big thanks to all the parents for their encouraging support all year.

1S Assembly Item

1S is running the K-2 assembly on Friday 8th August. It will be held in the hall at 10.45am. The theme is ‘Secret Agents’ and the children are asked to bring black pants/tights and black t-shirts (or the closest items to this look) on the day. Items placed in a clearly marked plastic bag would be very much appreciated.

The children will change back into their school clothes after the assembly.

Parents are very welcome.

Lost Property

The lost property bins are once again filled and overflowing with school uniform items. Many are only small but unfortunately have no names on them, making it difficult to find their rightful owners. If your child is missing any property please encourage them to look through lost property and collect their belongings. Any items that are left at the end of next week will be washed and donated for spare clothing or re-sale in the clothing pool.

Check LABELS on clothing

Please check all labels on your child’s clothing. If your child brings home clothing not belonging to them please make sure they are returned to school.

“Zero Tolerance” to protect your child

When it comes to the safety of vulnerable road users like school children, drivers found breaking the law will be met with zero tolerance.

If you’ve heard the expression “It’s only a matter of time until someone gets hurt!” then you understand why it is important for everyone to obey the road rules.

When an offence is detected – you will be fined!

Illegal parking around schools endangers children’s lives

FACT

When a child is hit at an impact speed of 30km/hr, they have a 99% chance of surviving. At 50km/hr, that child’s chance of survival is less than 5%. *Source Australian Transport Safety Bureau.

FACT

Children are small, harder to see, behave unpredictably and are extremely vulnerable. They need you to take extra care when driving near parking around school areas.

School Zone 40kph

40km/hr School Zones are provided to increase the safety of all pedestrians, but especially children, who are walking in the vicinity of schools. Drivers must be aware of the time of day.
