The fete is only 3 days away and the excitement is building! We have had many, many people working tirelessly, living and breathing this day for months and therefore have all their fingers, toes and eyeballs crossed for beautiful sunshine and loads of smiles and cheer. We would like to gratefully acknowledge the Milton Ulladulla Rotary Club, the Lions club and the Town Band who are donating their time to provide us with the Jumping Castle, Merry Go Round and fabulous entertainment. We have attached a map to this newsletter so you don’t miss any of the great stalls on offer. Bring your family, friends, neighbours or even your playgroup groups for what will be a very exciting and successful day. Remember, every cent we raise, goes straight back to your children.

VOLUNTEERS
First and foremost….a HUGE THANKYOU to those who have generously given up their time to help out on a stall. A list of volunteers is attached so you know where and when you need to be at your stall.

CAKE STALL
Every year, we have delicious donations of cup cakes, large whole cakes, slices, breads, biscuits, yummy novelty treats and muffins for our ever popular cake stall. Get baking and bring them to the top COLA as early as 9am, the earlier before 11am, the better. No need to label ingredients, just a label of what you have baked would be great. If something is of specific nature (eg Gluten Free, dairy free) then we’d love you to put a label on this. You can price your items yourself or just bring them along and we’ll price them for you.

PLANTS
All donations for this stall should be delivered to the stall from 9am, which is located in the top quad, near the bus shelter. You can price the plants yourself or let us price them for you.

CHOCOLATE WHEEL
We have fabulous prizes up for grabs on our chocolate wheel again this year. Each ticket is $1 and each spin of the wheel gives you a Fruit & Vegetable Box from IGA Milton (Value of $30) and a $20 voucher from a business around town. This year we are exceptionally lucky to have had several jewellery donations from Jay Rash Jewellers & Co. We have several items of jewellery all with a value of between $69-$175 which will be given away as a prize every 5 spins with our regular vouchers. There are only 30 prizes in our chocolate wheel so make sure you head up to the top COLA and grab your tickets.

RAFFLE TICKETS
ALL tickets MUST be in by tomorrow (Wednesday) afternoon. There are still loads of books outstanding! These tickets must be accounted for, so sold or unsold, we need them back.

OPERATION ART SUCCESS
Every year Milton Public School enters the prestigious Operation Art exhibition. This competition is a joint initiative of The Children's Hospital at Westmead and the NSW Department of Education and Training. Schools are able to submit 4 artworks only and these are professionally framed and exhibited in Sydney. The artworks are aimed at contributing to an environment that helps to relieve anxiety for children in hospital. We are very proud of our four finalists: Nina Burns, Chilee Rowland, Leila Pepperell and Lennon Wong who have all been successful in having their works displayed. The students and their families have received invitations to the opening of the exhibition which will be at Armory Gallery at Sydney Olympic Park on Saturday 5th of September. All families and community members are invited to the Armory Gallery, to view these fine artworks and those of students from other schools across New South Wales. What a fine achievement – not many people can claim that they have had an artwork displayed in The Armory Gallery in Sydney!
Organisers are anticipating at least 10,000 visitors will view the exhibition during September and October. Congratulations Nina, Chilee, Leila and Lennon.

FIRE CLEAN UP TO COMMENCE
The school has been advised that clean-up work will commence on the Milton Tyre Service site this Wednesday. I met with the contractor Monday afternoon and would like to pass-on to you notes of what was discussed:
- The site has been continuously hosed down 24/7 to mitigate any asbestos threat. The contractor remains in daily contact with Workcover to ensure that stringent controls remain in force.
- Licensed asbestos removalists will arrive on site Wednesday to commence clean-up which is expected to continue for some time. During clean-up, EPA air monitors will be in constant use to ensure air quality is not compromised. As an additional safe-guard to students, staff and visitors of our school, the contractor will install an air monitor out the front of the school.
- If you have any concerns at all, you are encouraged to contact Environmental Services at Shoalhaven City Council, or WorkCover NSW in Nowra.
- This is a terrible accident and our thoughts are with all those affected by this tragedy.

HATS WITH CORDS ATTACHED
A very unfortunate accident occurred in the playground last week. A young student was playing on the fixed play equipment, fell and got the cord from her hat caught around her throat. The teacher on duty was quick on the scene, but the accident caused a red mark under the student's throat and a great deal of distress for the student (and the teacher). It could have been worse. As such, we have asked our uniform suppliers to seek broad-brimmed hats without cords. It is our intention to phase corded hats out to prevent similar accidents occurring. I would also suggest that, in the interests of safety, parents consider cutting the cords on existing school hats.
My Weekend at Sydney Olympic Park

On Friday we drove to Sydney Olympic Park. We stayed at the Quest Apartments. Next we went to a park. On Saturday we went on a shuttle bus to Newington Armory Gallery. I sat in the middle back seat. My artwork had a “green paw” next to it. That means my artwork will be displayed in the offices of Advocate for Children and Young People for one year and then it will be donated to a regional hospital. After the exhibition we went to a BIG park. The park had huge swings, a double flying fox and a huge spinning “thing”. We were at the park for three hours. Then we went back to the apartment we were staying at. On Sunday it was raining. At 10 o’clock we went shopping, then we went home.

DEBATING WORKSHOP

Last Thursday 12 Year 4 & Year 5 students travelled to Vincentia High School for a debating workshop run by Pamela Barling. The students watched a Premier’s Debating Challenge debate between Year 7 & 8 High school students, gaining valuable information about how a debate is conducted and the roles of each speaker. Then they worked on different aspects of debating including creating a model and rebuttals. They also enjoyed playing a few debating games and all these activities involved mixing with other schools. Milton students were enthusiastic, involved, well behaved and thoroughly enjoyed the experience. Thanks to the parents who assisted with transport and for helping out during the day. A follow up workshop will be held for these students in Term 4.

KINDERGARTEN MAZE

There will be a maze at the fete. Kindergarten teachers are asking for any large boxes (fridge/ washing machine) to be delivered to KC and KB classrooms to assist with the building of an amazing maze. Boxes can be dropped off any time up until Thursday afternoon.

1B FETE NEWS

1B will be holding a flower stall at the Fete on Friday 11th September. If any families are able to bring cut flowers (from your garden) to 1B’s classroom on Thursday 10th September that would be greatly appreciated.

**Mindfulness and Meditation Classes**

**For Children Years 2-6 Term 4**

Our class in Term 3 was very beneficial here’s what 2 attendees had to say:- Malachi 8yrs - I go to Karen because I want to learn more about meditation. It makes me feel calm. Karen is loving. Jasper 12yrs The techniques Karen gives us are helpful. The belly breathing lets me focus, and be in the moment. My teacher Karen is very connected and peaceful. My Intention is to provide a safe loving environment for your child to explore how to use their breath, imagination and movement to deal with their thoughts, emotions and feelings. This leads to increased self esteem and confidence, a knowing that they are not their thoughts, that they can change how they feel, more ability to focus and learning how to respond to life with loving kindness. Meditation is such a gift in my life allowing me to live life more peacefully, from a place of inner calm, awareness and loving kindness for self and others. Offered by Karen Wade a very experienced local school teacher and meditation teacher.
